

**Why Fire Protection Engineering  
is an Exciting & Rewarding  
Profession**

A. JAMES CLARK SCHOOL of ENGINEERING • UNIVERSITY of MARYLAND

---

---

---

---

---

---

---

“Do you want to spend the rest of your  
life selling sugared water or do you  
want a chance to change the world.”

*-Steve Jobs*

---

---

---

---

---

---

---

---

---

---

---

---

---

---

"The market for students graduating with a BS Degree in fire protection engineering is very strong. Many of our graduates this past semester received multiple offers."

- Jim Milke

---

---

---

---

---

---

---

"The demand for fire protection engineers continues to outpace the supply. This imbalance in demand makes it very challenging for employers to recruit qualified engineers."

-Ray Grill

---

---

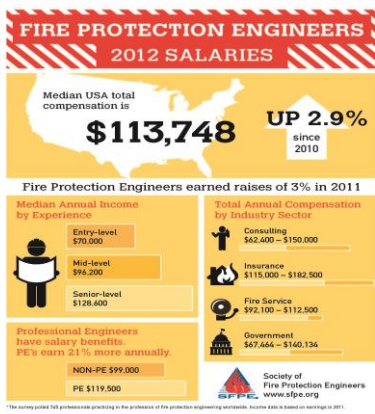

---

---

---

---

---

---

---

---

---

---

---

---

## Interesting Projects

---

---

---

---

---

---

---

---

"There are so many different things to do. I'm involved with everything -- a huge variety of tasks. I'm never stuck behind a desk"

- Vidar Landa

---

---

---

---

---

---

---

---

"In my first job, I spent my first five years traveling internationally, so I got to see a lot of cool places"

- Tony Caro

---

---

---

---

---

---

---

---

"I feel there's a big reason why I go to work each morning. It gives me an incredible sense of purpose"

-Stacey Welch

---

---

---

---

---

---

---

"The one thing that really pulled me into the field was the human element, knowing that the work that we do impacts the life safety of people in a building"

-Teresa Chung

---

---

---

---

---

---

---
